It's a big week for *The Mindy Project*! It started shooting season four yesterday, and it was announced today that Mindy Lahiri's parents have finally been cast! So who's the lucky mom and dad who get to meet Danny Castellano? Turns out, you probably recognize them...

Sakina Jaffrey (who played Linda Vasquez on *House of Cards* and, most recently, Sheriff Leena Reyes on *Sleepy Hollow*) will play Mrs. Lahiri, while Ajay Mehta (*Devesh Katdare* on *Royal Pains*) will play Mindy's father.

[Freida Pinto](#) and [Joseph Gordon-Levitt](#) will also guest-star this season, as well as Brooke Burke, Mark Duplass, and Jay Duplass. Late last night, [Mindy Kaling](#) also revealed that former *Raising Hope* star Garret Dillahunt will be the interim ob-gyn who fills in for Mindy while she's on maternity leave.
