"The Mindy Project" has found Mindy's parents. Sakina Jaffrey and Ajay Mehta will play the Lahiris when the show returns for its fourth season on Hulu, [according to E! News](#).

In the season three finale, Danny (Chris Messina) traveled halfway across the world to meet his girlfriend's (Mindy Kaling) parents once and for all in India. Fox ended up [canceling the comedy](#), but [Hulu saved it](#) and gave it two more seasons with 13 episodes each.

Jaffrey previously starred on "Sleepy Hollow" and the first two seasons of "House of Cards." Her other credits include "Madam Secretary,"

"Third Watch" and the movie "Raising Helen." Mehta has guest starred on numerous sitcoms including "Modern Family," "The Middle" and "New Girl" as well as recurring roles on the HBO series "The Brink," "Anger Management" and "Royal Pains."

Other guest stars appearing this season include Joseph Gordon-Levitt, Freida Pinto, Garret Dillahunt and Brooke Burke as herself.

"The Mindy Project" will premiere its fourth season on Tuesday, Sept. 15 on Hulu.
